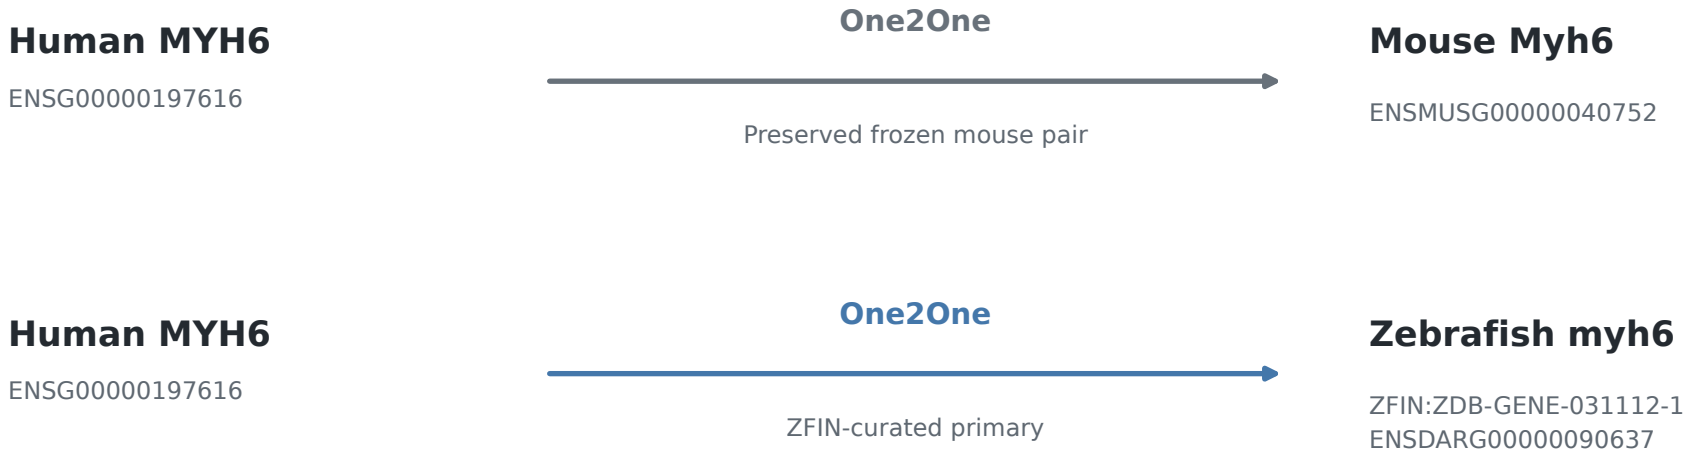
MYH6: two direct pairwise records

Stable human anchor ENSG00000197616 | Descriptive example from the frozen selected release



Fish record: ZFIN_supported=True; archived Ensembl_supported=False; exact pair not listed in Ensembl release 116.
These are release-specific annotations, not a universal database failure or evidence of global superiority.
MYH6 / Myh6 / myh6 have the same spelling after uppercase; that spelling is not orthology evidence. No mouse-fish edge is inferred here.
